## **100 Days of Good Character**

### Local Charter School celebrates 100 days of school

**Gilbert, Arizona, Monday, January 25, 2009:** It's official! Schools are half-way through the 2009-2010 school year. While many schools mark the 100<sup>th</sup> day of school, students at San Tan Learning Center took the opportunity to CELEBRATE!

San Tan Learning Center, a local Pre-Kindergarten Montessori, and Kindergarten through 5<sup>th</sup> Grade Public Charter School made this past Monday memorable by celebrating "100 Days of Good Character." San Tan Learning Center firmly believes in promoting character education throughout the school year. Whether at school, home, or play, STLC believes there are basic values that define ethical behavior. Josephson Institute calls them the Six Pillars of Character, and they form the basis of all programs at San Tan Learning Center. These 6 pillars are as follows; Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship.

The "100 Days of Good Character" celebration at STLC started with a visit from the Arizona Science Center. They were on hand to present their "Good Vibes" demonstration. Students were entertained as they learned "sound" science principles. Various musical instruments and household objects were used to demonstrate sound waves, frequency, and pitch to students. Principal Sippel then treated the entire student body to a pizza party lunch followed by a character awards ceremony. Students showing exemplary character were presented with an award and a certificate for a free kids' meal at Mimi's Café. The award winners were:

Zachary Kinsel

Lacey Barnickel

Kristofer Sippel

Levi Dailey

Eliana White

Emerson Tankersley
